

HOW TO USE QUICK TEST WIZARD IN EXAMVIEW AND EXPORT AS WEBCT ZIP FILE

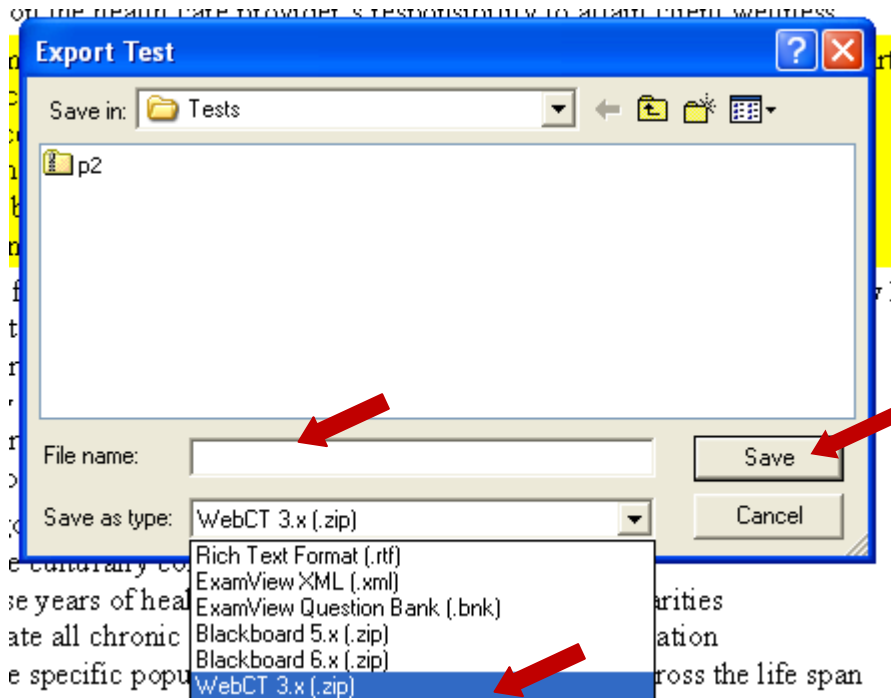

STEP 2

Export to WebCt format

1. Click <File><Export> to export to Web CT

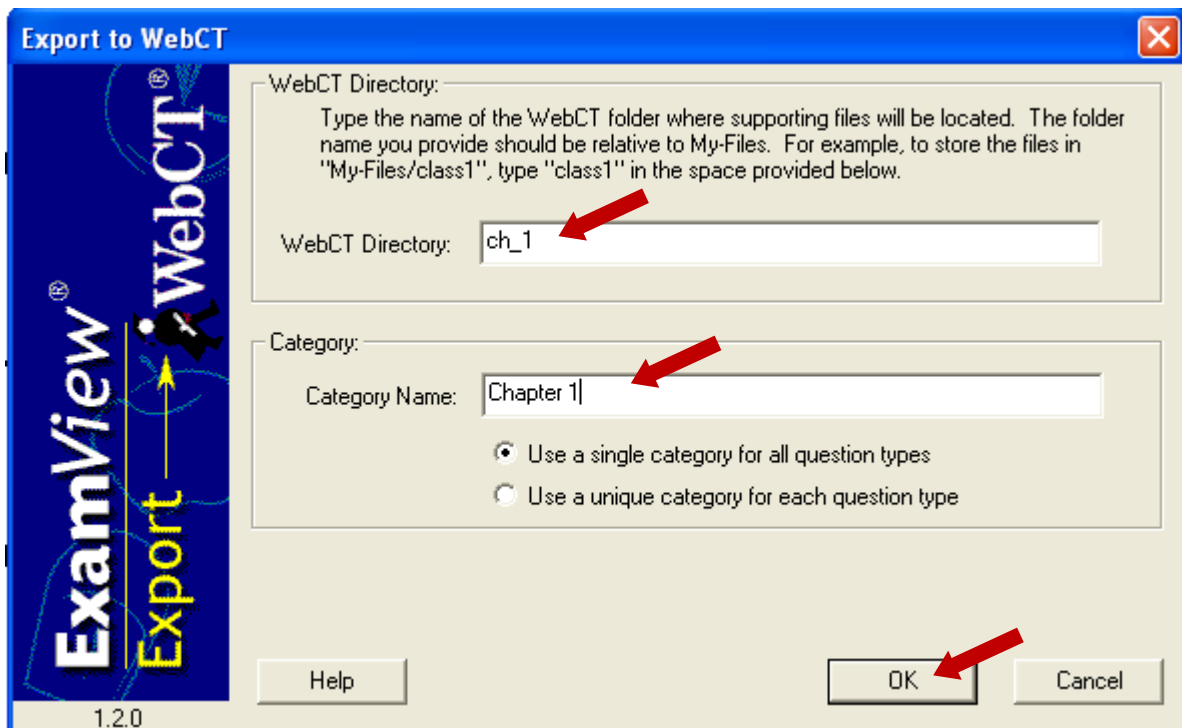

2. Name the file to be zipped into WebCT 3 format- like "Practice 1"
3. Choose WebCT format
4. Click <Save>

Name the directory desired for WebCT

5. Name directory
6. Name category of questions for test
7. Click <OK>

This file can then be imported into WebCT, unzipped, and associated with a quiz.
